

thank you!

Greetings All,

I am happy to share with you that Miracle on Long Street once again took

1ST PLACE

This is our largest fundraiser. Thanks to all of you that helped make this happen. It was the toughest and tightest race we have done. Thanks to Michael Liebert one of our dedicated volunteers for hitting the button with just seconds to go! This money will enable us to continue to help those that are struggling. We thank God for the blessing and the opportunity only He has given us.

MAY WE CONTINUE TO LIVE INSPIRED AND BE A MIRACLE TO SOMEONE.

**We can't do it
without you.**
