Buy Tickets Online

Electronic Ticket Sales

As an option to purchasing a ticket in person from a Miracle worker, you can do the whole process electronically.

This option requires that you have a Venmo account connected to your bank. Venmo is a digital payment method owned by and just like PayPal, only it is for personal money transfers. Here's how it would work:

Whomever wants to buy tickets emails our treasurer, Dan Landis at landeye55@yahoo.com,

provide their name, address, phone number and email address, along with how many tickets they want.

Then they send $5/ticket through Venmo to @Daniel-Landis-15; Acct #: 6143598903

Dan will fill out their ticket stubs and email them a picture of the completed ticket(s) and will transfer the money from the Venmo account to the Miracle account. The drawing is on Monday, August 22, 2022 and the winner need not be present to win. The winner will be notified using the information on the ticket stub. The winner must be at least 18 years old and a photo ID will be required.

The money donated is not considered tax deductible and the prize may be taxable to the winner.

Thank you for your support of the Miracle!
